Have you ever seen the rain – CCR (Smokie Version)

[Intro] (nur Gitarre)

[Verse 1]

Someone told me long ago
There's a calm before the storm,
I know - It's been coming for some time
When it's over so they say
It'll rain a sunny day,
I know - Shining down like water

[Chorus]

I wanna know have you ever seen the rain
I wanna know have you ever seen the rain
Coming down on a sunny day

[Verse 2]

Yesterday and days before
Sun is cold and rain is hard,
I know - been that way for all my time
'Til forever on it goes
Through the circle fast and slow.
I know, it can't stop, I wonder

[Chorus]

This is the life – Amy McDonald

[Intro]

2 x nur Musik durchlaufen lassen

[Verse 1]

Oh the wind whistles down the cold dark street tonight
And the people they were dancing to the music vibe
And the boys chase the girls, with the curls in their hair
While the shy tormented youth sit way over there
And the songs they get louder each one better than before

[Chorus]

2x And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice
the size
where you gonna go? Where you gonna go? Where you gonna
sleep tonight?

Where you gonna sleep tonight?

[Instrumental]

[Verse 2]

So you're heading down the road in your taxi for four
And you're waiting outside Jimmy's front door
But nobody's in and nobody's home 'till four
So you're sitting there with nothing to do
Talking about Robert Rigger and his motley crew
And where you gonna go and where you gonna sleep tonight?

[Chorus] 4x

And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice
the size
where you gonna go? Where you gonna go? Where you gonna
sleep tonight?

Bad moon rising - CCR

-> E-Gitarre

[Intro]

[Verse]

I see a bad moon a-rising
I see trouble on the way
I see earthquakes and lightning
I see bad times today

[Chorus]

Don't go around tonight
well it's bound to take your life
There is a bad moon on the rise

[Verse]

I hear hurricanes a-blowing
I know the end is coming soon
I fear rivers overflowing
I hear the voice of rage and ruin

[Chorus]

Don't go around tonight
'Cause it's bound to take your life
There is a bad moon on the rise

[Solo]

[Verse]

Hope you got your things together
Hope you are quite prepared to die
Looks like we're in for nasty weather
One eye is taken for an eye

[Chorus]

2x Don't go around tonight
'Cause it's bound to take your life
There is a bad moon on the rise

Behind Blue Eyes - Limp Bizkit

[Verse 1]

No one knows what it's like	To be the bad man
To be the sad man	Behind blue eyes
And no one knows what it's like	To be hated
To be fated	To telling only lies

[Chorus]

But my dreams.....	They aren't as empty
As my conscience seems to be	I have hours, only lonely
My love is vengeance	That's never free

[Verse 2]

No one knows what it's like	To feel these feelin's
Like I do	And I blame you
No one bites back as hard	On their anger
None of my pain an' woe	Can show through

[Chorus]

But my dreams.....	They aren't as empty
As my conscience seems to be	I have hours, only lonely
My love is vengeance	That's never free

[Bridge]

[Instrumental in Verslänge]

[Verse 3]

No one knows what it's like	To be mistreated
To be defeated	Behind blue eyes
And no one knows how to say	That they're sorry
An' don't worry	I'm not telling lies

[Chorus]

But my dreams.....	They aren't as empty
As my conscience seems to be	I have hours, only lonely
My love is vengeance	That's never free

[Verse 4]

No one knows what it's like	To be the bad man
To be the sad man	Behind blue eyes

These Boots Are Made For Walkin' - Nancy Sinatra

[Intro]

[Verse 1]

You keep sayin', you've got somethin' for me,
Somethin' you call love, but confess
You've been a-messin' where you shouldn't have been a-messin',
And now someone else is gettin' all your best

[Chorus]

These boots are made for walkin'
And that's just what they'll do,
One of these days these boots are gonna walk all over you

[Verse 2]

You keep lyin' when you oughta be truthin',
And you keep losin' when you oughta not bet
You keep samein' when you ought to be a-changin',
Now what's right is right but you ain't been right yet

[Chorus]

These boots are made for walkin'
And that's just what they'll do,
One of these days these boots are gonna walk all over you

[Solo]

[Verse 3]

You keep playin' where you shouldn't be playin',
And you keep thinkin' that you'll never get burned, ha!
I just found me a brand new box of matches, yeah
And what he knows you ain't had time to learn

[Chorus]

These boots are made for walkin'
And that's just what they'll do,
One of these days these boots are gonna walk all over you

[Outro]

Are you ready boots? ... Start walkin'

There is a house in New Orleans

They call the "Rising Sun"

And it's been the ruin of many a poor boy

And God, I know, I'm one

She sewed my new blue jeans

My father was a gambling man

Down in New Orleans.

Bitch - Meredith Brooks

[Verse 1]

I hate the world today

You're so good to me, I know but I can't change

Tried to tell you but you look at me like maybe

I'm an angel underneath, innocent and sweet

[Verse 2]

Yesterday I cried

You must have been relieved to see the softer side

I can understand how you'd be so confused, I don't envy you

I'm a little bit of everything all rolled into one

[Chorus 1]

I'm a bitch, I'm a lover, I'm a child, I'm a mother

I'm a sinner, I'm a saint, I do not feel ashamed

I'm your hell, I'm your dream, I'm nothing in between

You know you wouldn't want it any other way

[Verse 3]

So take me as I am

This may mean you'll have to be a stronger man

Rest assured that when I start to make you nervous

And I'm going to extremes, tomorrow I will change and today
won't mean a thing

[Chorus 1]

[Solo]

[Bridge]

Just when you think you got me

Figured out the season's already changin'

I think it's cool you do what ya do and don't try to save me

[Chorus 2]

I'm a bitch, I'm a tease, I'm a goddess on my knees

When you hurt, when you suffer, I'm your angel undercover

I've been numb, I'm revived, can't say I'm not alive

You know I wouldn't want it any other way

[Outro]

Walking on the waves - Shane Owens

[Intro]

[Verse 1]

An island in the sunlight, laughter in the rain.
A whisky in the darkness, it all feels just the same.
Watch the sunset over Galway see the twilight merge to dawn.
Hear the waves caress the shoreline as the island carries on.

[Chorus]

I've been walking, walking these shores all my days
but with you by my side I am walking on the waves
I've been walking, walking these shores all my days
but with you by my side I am walking on the waves

[Break]

[Verse 2]

There's two lovers at the claddagh and they walk down to the sand
Their silhouettes are on the water as they paddle hand in hand.
And it's a game of sweet surrender when there's nothing left to say
And there are moments to remember once these days are long away.

[Chorus]

[Break]

[Verse 3]

So you look out on the ocean see the headlands and the strands
And you wonder what horizons will shape tomorrow's plans
And through the turning of the seasons and the cycle of the days
Every drink's another reason to let tomorrow sail away.

Celebrity skin – Holes

[Chorus]

Oh, make me over

I'm all I want to be

A walking study

In demonology

[Verse 1]

Hey, so glad you could make it! Yeah, now you really made it

Hey, so glad you could make it now

[Chorus]

Oh, look at my face

My name is might have been

My name is never was

My name's forgotten

[Verse 2]

Hey, so glad you could make it! Yeah, now you really made it

Hey, there's only us left now

[Bridge 1]

When I wake up in my makeup It's too early for that dress

Wilted and faded somewhere in Hollywood

I'm glad I came here With your pound of flesh

No second billing cause you're a star now

Oh, Cinderella They aren't sluts like you

Beautiful garbage beautiful dresses

Can you stand up or will you just fall down

[Chorus]

You better watch out What you wish for

It better be worth it So much to die for

[Verse]

Hey, so glad you could make it! Yeah, now you really made it

Hey, there's only us left now

[Bridge]

When I wake up in my makeup. Have you ever felt so used up as this?

It's all so sugarless Hooker / waitress / model / actress

Oh, just go nameless Honeysuckle, she's full of poison

She obliterated everything she kissed

Now she's fading somewhere in Hollywood

I'm glad I came here with your pound of flesh

[Chorus]

You want a part of me Well,

I'm not selling cheap

No, I'm not selling cheap

Mr. Rock'n'Roll – Amy McDonald

[Verse 1]

So called Mr. rock 'n roll is dancing on his own again,
talking on his phone again to someone who tells him that his
balance is low he's got nowhere to go, he's on his own again.

[Verse 2]

Rock chic of the century is acting like she used to be,
dancing like there's no one there before she ever seemed to
care, now she wouldn't dare, it's so rock 'n roll to be alone.

[Chorus]

And they'll meet one day far away, and say
„I wish I was something more“
and they'll meet one day far away and say
„I wish I knew you, I wish I knew you before“

[Verse 3]

Mrs. black and white, she's never seen a shade of grey
always something on her mind, every single day
but now she's lost her way and where does she go from here?

[Verse 4]

Mr. multicultural sees all that one could see,
he's living proof of someone very different to me
but now he want's to be free, free so he can see.

[Chorus]

[Bridge]

He'll say, „I wish I knew you, I wish I met you
when time was still on my side“
she'll say, „I wish I knew you, I wish I loved you
before I was his bride“.

[Verse 5]

And so they must be depart, too many moral broken hearts
but I've seen that all before in TV, books and films and more
and there's a happy ending, every single day.

[Chorus]

What's up – 4 non Blondes

[Verse 1]

Twenty-five years and my life is still
Trying to get up that great big hill
Of hope for a destination
I realized quickly when I knew I should
that the world was made up of this brotherhood
Of man, for whatever that means

[Pre-Chorus]

And so I cry sometimes when I'm lying in bed
just to get it all out, what's in my head
and I - I am feeling a little peculiar
And so I wake in the morning and I step outside
and I take a deep breath and I get real high and
I scream at the top of my lungs "What's going on?"

[Chorus]

And I said "Heyeyeyeyey Heyeyey"
I said "Hey, what's going on?"
And I said "Heyeyeyeyey Heyeyey"
I said "Hey, what's going on?"

Interlude]

Ooh, Ooh Ooh
Ooh, Ooh Ooh

[Verse 2]

And I try, oh my God do I try
I try all the time, in this institution
And I pray, oh my god do I pray
I pray every single day
for a revolution

He was warm, he came around like he was dignified
He showed me what it was to cry
Well you couldn't be that man I adored
You don't seem to know
Don't seem to care what your heart is for
But I don't know him anymore

[Pre-Chorus 1]

There's nothing where he used to lie
My conversation has run dry
That's what's going on
Nothing's fine

I'm cold and I am shamed, lying naked on the floor
Illusion never changed, into something real
I'm wide awake and I can see, the perfect sky is torn
You're a little late, I'm already torn

[Verse 2]

So I guess the fortune teller's right
I should have seen just what was there and not some holy light
But you crawl beneath my veins and now

Er hat es oft versucht und sich echt angestrengt

Augen zu und durch, wir kriegen das hin (Yeah)

[Interlude]

[Out-Refrain]

Ich hab niemals dran gezweifelt, dass wir das überstehen
Augen zu und durch, wir kriegen das hin
Ich hab immer schon gewusst, dass wir die heißen
Dinger drehen
denn wir sind gekommen um zu gewinnen
ist doch klare Sache, wir kriegen's hin (Yeah)

One of us – Joan Osborne

[Intro]

[Verse 1]

If God had a name, what would it be?

And would you call it to his face,

if you were faced with him?

In all his glory, what would you ask,

if you had just one question?

[Pre-Chorus]

Yeah, yeah, God is great

Yeah, yeah, God is good

Yeah, yeah, yeah, yeah, yeah

[Chorus]

What if God was one of us?

Just a slob like one of us?

Just a stranger on the bus trying

to make his way home

[Verse]

If God had a face, what would it look like

And would you want to see,

if seeing meant that you would have to believe,

in things like heaven and in Jesus and the saints and all
the prophets

[Pre-Chorus]

Yeah, yeah, God is great

Yeah, yeah, God is good

Yeah, yeah, yeah, yeah, yeah

[Chorus]

What if God was one of us?

Just a slob like one of us?

Just a stranger on the bus trying

to make his way home

Trying to make his way home...

Like up to heaven all alone...

Nobody calling on the phone...

Except for the Pope, maybe in Rome.

[Solo]

[Pre-Chorus]

Yeah, yeah, God is great

Yeah, yeah, God is good

Yeah, yeah, yeah, yeah, yeah

[Chorus]

What if God was one of us?

Just a slob like one of us?

Just a stranger on the bus trying to make his way home

Just trying to make his way home...

Like a holy rolling stone

Back up to heaven all alone

Just trying to make his way home...

Nobody calling on the phone...

Except for the Pope, maybe in Rome.

Take me home country roads – John Denver

[Verse 1]

164 bpm

Almost Heaven; West Virginia, Blue Ridge Mountains,
Shenandoah River.

Life is old there, older than the trees,
younger than the mountains, Growin' like a breeze.

[Chorus]

Country Roads, take me home, to the place, I belong,
West Virginia, mountain mama, take me home, country roads.

[Verse 2]

All my memories gather 'round her, miner's lady,
stranger to blue water.

Dark and dusty, painted on the sky,
misty taste of moonshine, Teardrop in my eye.

[Chorus]

[Bridge]

I hear her voice in the morning hour she calls me,
the radio reminds me of my home far away.
And driving down the road I get a feeling
that I should have been home yesterday, ... yesterday.

[Chorus] N.C.

[Chorus outa]

Country Roads, take me home, to the place, I belong,
West Virginia, mountain mama, take me home, country roads.
Take me home, down country roads;
take me home, down country roads

American pie – Don McLean

[Verse 1]

gesprochen

A long, long time ago

I can still remember how that music used to make me smile

And I knew if I had my chance, That I could make those
people dance and maybe they'd be happy for a while

But February made me shiver, with every paper I'd deliver

Bad news on the doorstep, I couldn't take one more step

I can't remember if I cried when I read about his widowed
bride. Something touched me deep inside

The day the music died

[Chorus] 100 bpm

So bye, bye Miss American Pie

Drove my Chevy to the levee but the levee was dry

And them good old boys were drinkin' whiskey and rye

Singin' this will be the day that I die, this will be the
day that I die

[Verse 2] 142 bpm

Did you write the book of love, And do you have faith in
God above, if the bible tells you so? Now, Do you believe
in rock and roll. Can music save your mortal soul and can
you teach me how to dance real slow?

Well I know that you're in love with him 'cuz I saw you
dancin' in the gym, You both kicked off your shoes, man I
dig those rhythm and blues. I was a lonely teenage
bronckin' buck with a pink carnation and a pickup truck

But I knew I was out of luck the day the music died, I
started singin'

[Chorus]

Bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And them good old boys were drinkin' whiskey and rye
Singin' this will be the day that I die, this will be
the day that I die

[Verse 3-5 entfallen]

[Verse 6]

I met a girl who sang the blues. And I asked her for some
happy news, but she just smiled and turned away I went
down to the sacred store. Where I'd heard the music years
before, but the man there said the music wouldn't play.
And in the streets the children screamed, the lovers cried
and the poets dreamed. But not a word was spoken, the
church bells all were broken. And the three men I admire
most, the Father, Son, and the Holy Ghost
They caught the last train for the coast the day the music
died, and they were singin'

[Chorus]

So bye, bye Miss American Pie
Drove my Chevy to the levee but the levee was dry
And them good old boys were drinkin' whiskey and rye
Singin' this will be the day that I die, this will be the
day that I die

We started singin'

[N.C.]

bye, bye Miss American Pie
Drove my Chevy to the levee but the levee was dry
And them good old boys were drinkin' whiskey and rye
Singin' this will be the day that I die [End]

Hallelujah – Leonard Cohen

[Verse 1]

I heard there was a secret chord
that David played and it pleased the Lord
But you don't really care for music do you
It goes like this the fourth the fifth
the minor fall and the major lift
The baffled king composing Hallelujah

[Chorus]

Hallelujah, Hallelujah, Hallelujah, Hallelujah

[Verse 2]

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew you
She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the Hallelujah

[Chorus]

Hallelujah, Hallelujah, Hallelujah, Hallelujah

[Verse 3]

Well maybe there's a God above
And all I ever learned from love
Was how to shoot at someone who out drew you
It's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

[Chorus]

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Moonlight shadow – Mike Oldfield

[Verse 2]

The last that ever she saw him
Carried away by a moonlight shadow
He passed on worried and warning
Carried away by a moonlight shadow.
Lost in a riddle that Saturday night
Far away on the other side.
He was caught in the middle of a desperate fight
And she couldn't find how to push through

[Verse 2]

The trees that whisper in the evening
Carried away by a moonlight shadow
Sing a song of sorrow and grieving
Carried away by a moonlight shadow
All she saw was a silhouette of a gun
Far away on the other side.
He was shot six times by a man on the run
And she couldn' t find how to push through

[Bridge]

I stay - I pray - I see you in heaven far away
I stay - I pray - I see you in heaven One day

[Verse 3]

Four am in the morning
Carried away by a moonlight shadow
I watched your vision forming
Carried away by a moonlight shadow
Star was light in a silvery night
Far away on the other side
Will you come to talk to me this night
But she couldn't find how to push through

[Bridge]

[Solo]

...

Far away on the other side

[Ending]

Caught in the middle of a hundred and five
The night was heavy but the air was alive
But she couldn't find how to push through
Carried away by a moonlight shadow
Carried away by a moonlight shadow
Far away on the other side.

[Solo]

(repeat and fade)
